

# MB's QOV Split Star Block

2.25" **THANGLES** are used to make this attractive split star block. With **THANGLES** you can make every part of the block from the same strips. You do not need to do a 7/8" calculation and cut for the half square triangles.

With a block like this one, where there are many colors, you will save lots of time (and fabric) using **THANGLES**.

## Block MATERIALS

*1/4" seam allowances are used for all seams.*

One package of 2.25" **THANGLES**.

You need four colors for the star block. Each block uses the same amount of each of the fabrics. One set of 4 strips will make 3 blocks.

Offwhite: **5/8 yd**, Cut 7---2.75" x 44" strips.

Tan: **5/8 yd**, Cut 7---2.75" x 44" strips.

Red: **5/8 yd**, Cut 7---2.75" x 44" strips.

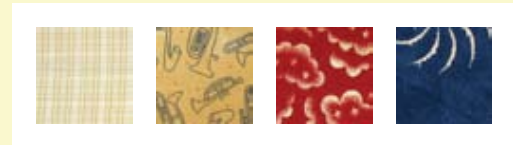

Blue: **5/8 yd**, Cut 7---2.75" x 44" strips.
